The Court at the admission stage made the following ORDER :

This writ petition is filed by the petitioner seeking Writ of Mandamus declaring that the respondents have no jurisdiction to restrict the transport of Molasses form the State of Andhra Pradesh to any other place in the State as well as out side the State.

This issue has been considered by this Court in the case of **M/s. GAURI INDUSTRIES (MANUFACTURERS OF RECTIFIED SPIRIT) v COMMISSIONER OF PROHIBITION AND EXCISE, ANDHRA PRADESH** (W.P.No.8136 of 2004) and this Court passed the following order:

> "It is a fact that the possession as well as transportation of Molasses was being controlled by the Molasses Control Order, issued by the Central Government. But, however, the said Control order was rescinded by the Central Government as early as in 1993. Thereafter, there were no provisions either in the A.P. Excise Act or under any Rules framed by the State Government and this fact was clarified by a Division Bench of this Court in Writ Appeal No.2209 of 1998 dated 08.05.2001.
>
> The restriction of transportation of molasses is only if it is intended for utilization of illicit distillation and on such occasions only the respondent authority can take action. But, however, if any individual is transporting the Molasses under a valid purchase bills to the destination of the purchaser, the respondents authority have no right to interfere with such transportation.
>
> Therefore, the writ petition is disposed of clarifying the position that the respondents have no right to insist the petitioner for any permission or for obtaining NOC for transport of Molasses from the Sugar Factories to any other specified destination for being used by the purchaser".

Following the above judgment, this writ petition is disposed of with the same directions.
